

(3) The product, or component of a product, is in the form of a negotiated service agreement with substantially all components of the agreement included in the measurement of other products.

(b) The Postal Service shall identify each product or component of a product granted an exception in each report required under subparts A or B of this part, and certify that the rationale for originally granting the exception remains valid.

§ 3055.4 Internal measurement systems.

Service performance measurements obtained from internal measurement systems or hybrid measurement systems (which are defined as systems that rely on both an internal and an external measurement component) shall not be used to comply with any reporting requirement under subparts A or B of this part without prior Commission approval.

§ 3055.5 Changes to measurement systems, service standards, service goals, or reporting methodologies.

The Postal Service shall file notice with the Commission describing all changes to measurement systems, service standards, service goals or reporting methodologies, including the use of proxies for reporting service performance, 30 days prior to planned implementation. The Commission may initiate a proceeding at any time to consider such changes if it appears that the changes might have a material impact on the accuracy, reliability, or utility of the reported measurement, or if the changes might have a material impact on the characteristics of the underlying product.

§ 3055.6 Addition of new market dominant products or changes to existing market dominant products.

Whenever the Postal Service proposes the addition of a new market dominant product or a change to an existing market dominant product, it also shall propose new or revised (as necessary) service performance measurement systems, service standards, service goals, data reporting elements, and data reporting methodologies.

§ 3055.7 Special study.

Included in the second section 3652 report due after this rule becomes final, and every 2 years thereafter, the Postal Service shall provide a report, by class of mail, on delivery performance to remote areas of the Alaska, Caribbean, and Honolulu districts.

§ 3055.20 First-Class Mail.

(a) *Single-Piece Letters/Postcards, Bulk Letters/Postcards, Flats, and Parcels.* For each of the Single-Piece Letters/Postcards, Bulk Letters/Postcards, Flats, and Parcels products within the First-Class Mail class, report the on-time service performance (as a percentage rounded to one decimal place), disaggregated by mail subject to the overnight, 2-day, and 3/4/5-day service standards.

(b) *Outbound Single-Piece First-Class Mail International and Inbound Single-Piece First-Class Mail International.* For each of the Outbound Single-Piece First-Class Mail International and Inbound Single-Piece First-Class Mail International products within the First-Class Mail class, report the on-time service performance (as a percentage rounded to one decimal place).

§ 3055.21 Standard Mail.

For each product within the Standard Mail class, report the on-time service performance (as a percentage rounded to one decimal place).

§ 3055.22 Periodicals.

For each product within the Periodicals class, report the on-time service performance (as a percentage rounded to one decimal place).

§ 3055.23 Package Services.

For each product within the Package Services class, report the on-time service performance (as a percentage rounded to one decimal place).

§ 3055.24 Special Services.

For each product within the Special Services group, report the percentage of time (rounded to one decimal place) that each product meets or exceeds its service standard.
